### **TACTile Studio, Inc. Celebrates One Year Anniversary**

Local retail boutique hosts a weekend party in honor of their first year.

Lakewood, OH – July 1, 2023 - TACTile Studio, Inc., a local retail boutique, will be having a celebration to commemorate their first year. Located in the historic Screw Factory Building in the Bird Town Neighborhood they've been well-received by the community and are looking forward to many more years in this location.

"This past year has been amazing and I have loved meeting so many new faces," said Terry A. Cutlip, Owner and Artist behind TACTile Studio, Inc. "I've greatly enjoyed participating in the building-wide Open Studio Events that are held throughout the year and have had the honor of building great business-customer relationships along the way. In the last year I have been able to start hosting in-studio painting classes as well as hosting fundraising events for a local non-profit organization."

To celebrate this milestone, TACTile Studio, Inc. will be hosting a weekend open studio event August 25, 2023, and August 26, 2023. Beverages and small bites will be available in addition to freshly crafted original art, art prints and other small gifts. The hours of the 2-day event will be 4:00pm to 9:00pm on Friday August 25, 2023, and 11:00am to 4:00pm on Saturday August 26, 2023. There is free parking available on site.

TACTile Studio, Inc. is a local retail boutique displaying the art and graphic design works of Terry A. Cutlip. Prior to the opening of the studio boutique her work was available for purchase online. Ms. Cutlip has been in the creative sector for over two decades and has had her works enjoyed by nearly 100,000 clients worldwide in various formats. For more information on the studio visit [tactile-studio.net](http://tactile-studio.net).
